

(V) ~6

DATE: Tuesday, September 2, 1997

TIME: 13:30-15:30

ROOM: 407-A

TITLE: POSTER SESSION (PP 1.0)

1. **Al-Abed, N. and H. Whiteley.** "Managing Water Quality and Quantity on a Watershed Scale". School of Engineering, University of Guelph, Canada
2. **Barkdoll, B.D.** "Environmental Aspects of Reservoir Sedimentation". University of Mississippi, USA.
3. **Ben Biba, M., A. Ben Abdel Fadel and M.D. Hasnaoui.** "Gestion des crues: cas de la vallée de l'Ourika dans la région de Marrakech". Direction générale de l'hydraulique, Maroc
4. **Beckovic, B., K. Cesarec and M. Berakovic.** "Works and Cooperation on the International River Drava". Faculty of Civil Engineering, University Zagreb, Croatia
5. **Bharaswadkar, R.B., W. Aurangabad.** "Social Aspects of Water Resources in Future". WALAMI, Maharashtra State, India
6. **Bodla, M.** "Meeting Environmental Commitments of Sustainable Irrigated Agriculture Using an Intelligent Decision Support System". International Waterlogging and Salinity Research Institute, Pakistan
7. **Botzan, D.A.** "Soil Conservation Measures in Reducing Erosion in the Berheci Watershed - Romania". Research and Engineering Institute for Environment, Bucharest , Romania
8. **Côté, D., T.S. Tran, A. Michaud and C. Bernard.** "Slurry Sidedressing and Topdressing can Improve Soil and Water Quality on a Concentrated Livestock Watershed". Ministère de l'Agriculture, des Pêcheries et de l'Alimentation, du Québec, Canada
9. **Davary, K., R.B. Bonnell and S.O. Prasher.** "A Non-Numeric Computer Model for Unsaturated Soil Water Movement". Macdonald Campus, McGill University, Canada
10. **Farag, F.A., M.M.N. El-Din and I.F.M. Shaker.** "Development of Water Resources Database Using Remote Sensing and Geographic Information Systems". Ministry of Public Works and Water Resources, Egypt
11. **Ferraz, A. and B. Braga.** "A Decision-Making Model for Granting the Right to the use of Water Resources in the State of Sao Paulo". Sao Paulo, Brazil
12. **Geres, D. and K. Urumovic:** "Croatian Water Supply in 21st Century". Croatian Waters, Croatia
13. **Ginzburg, B., I. Chalifa, O. Hadas, I. Dor and O. Lev.** "Source of Dimethylsulfide in the Lake of Galilee". Fredy and Nadine Herrmann School of Applied Science, Jerusalem
14. **Goyal, S.K. and D. Chander.** "Assessing the Water Requirements for the Apportionment of Waters of an Interstate River". Punjab Engineering College, India.
15. **Morato, J., J. Mir, M. A. Soler and M. Marqués.** "Influence of bacteriological quality in the management of water treatment systems". Universidad Politecnica de Catalunya, Spain
16. **Al-Weshah, R.A.** "Planning of Water Supply to the Dead Sea Tourism Project in Jordan under Uncertainty. University of Jordan, Jordan.
17. **Bouziane, A.** "Use of Deterministic Dynamic Programming Rules (DPR) Models for Reservoir Planning and Design". Ecole Mohammadia d'Ingenieurs, Morocco.
