Manuscript Title: **Development of a New Algorithm to Design and Part Selection of Multi-rotors**

Author(s): Erfan Noferesti, Ali Esmaeili

Dear Dr. Ali Esmaeili

Thank you for submitting your article titled **Development of a New Algorithm to Design and Part Selection of Multi-rotors** to the **Journal of Aerospace Science and Technology**. We are pleased to inform you that your article has been accepted based on the reviewers' comments and will be published in upcoming issues of the journal. We hope to receive more of your scientific articles in the future as well.

A copy of the acceptance certificate can be viewed on the account page of the corresponding author.

Best Regards,

Editor-in-Chief **Journal of Aerospace Science and Technology**
